N. Y. SYMPHONY ORCHESTRA.

More has been accomplished in raising by lecture and concert, the popular taste for high class music by Walter Damrosch, probably than by any other man. The leader of the New York Symphony Orchestra which will appear at the Grand Tuesday, January 21, has highly developed the faculty of speaking clearly, interestingly and directly. Mr. Damrosch's acquaintance with literary and other standards has cultured his viewpoints and thought points on music and musical subjects.

Cosima Wagner has to thank Mr. Damrosch for popularizing in Ameri-

ENTERTAINING LECTURE BY MISS HARDING

ADDRESS BEFORE THE WOMAN'S CLUB WAS GREATLY ENJOYED BY ALL WHO HEARD HER.

Miss Julia Morgan Harding, of Pittsburgh, was the attraction at the Woman's Club yesterday and despite the unfavorable weather condition which prevailed, a large audience was present and accorded the speaker the most flattering attention.

Miss Harding's subject was, "Current Events," and during the hour in which she spoke gave a most comprehensive resume of current events, both at home and abroad.

Before Miss Harding was introduced by the president, Mrs. Howard N. Ogden, Mrs. Oliver Wood rendered a vocal solo, with Miss Estelle Hamilton at the piano. Miss Mary Louise Nichols rendered a piano solo before adjournment.

FIRST HALF OF SCHOOL YEAR

IN UNION DISTRICT BROUGHT TO A SUCCESSFUL CLOSE YESTERDAY.

The first half of the school year of the schools of Union district, including the First ward schools, was brought to a successful close yesterday.

Upwards of 750 pupils were enrolled during the term and the work accomplished has been splendid and of a high order.

The ward schools consisting of the Central school building, the East Park building and the State street building have each had large enrollments and are in good condition as regards sanitation.

The buildings of the First ward are all new and are kept in excellent sanitary condition under the supervision of the principal, Rev. W. A. Husted. Seventeen teachers are employed in these schools and together with the principal are working diligently for the success of the schools.

The Central building is now full and each of the other two buildings are half occupied. The buildings are entirely completed but so far the enrollment has not justified the occupancy of the entire buildings.

Police Court

MAN WITH HEART LESION IS PERMITTED HIS FREEDOM.

Police court this morning was a poor one for the city, there being but three prisoners, each fined \$2.00 and costs, none of the men being able to pay their fines. The most money any one of the men had was 45 cents, while another had 20 cents and the other one three cents.

One of the men will remain in jail a few days to serve out time equivalent to his fine, while the two others were released.

One, an old man who has to be run out of the city every few weeks, was escorted to the edge of the city and given a good start towards some other community, while the other man was first taken to a physician and then given his 20 cents and turned free. He is said to have a leaky heart, and continually spat blood this morning, causing the officers to fear that he might die at any time. Several forfeits were turned in.

Everybody says the show now on at the Hippodrome is one of the best of the season. A splendid show for Ladies and Children. Special Matinee Today; Adults 10c; Children 5c.

ONE DOSE MAKES IN INDIGESTION

HEARTBURN, GAS, DYSPEPSIA AND ALL STOMACH DISTRESS ENDED WITH "PAPE'S DIAPEPSIN."

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; it's harmless; it's certain unbalancing action in regulating sick, sour, gassy stomachs. It's millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eruptions of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. It's promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

HAD BLACKJACK

A warrant charging Clem Roach with a misdemeanor was this morning issued by Squire R. Leigh Fleming and the young man will likely be given trial at a late hour this evening.

Roach was arrested yesterday near the electric light plant by Officers Criss and Ross, charged with being drunk. While the young man was passing a clump of weeds on his way to the jail with the officers, he threw something into the bushes, and the policemen, upon investigating, found that he had discarded a blackjack. The instrument was picked up by the officers and brought into court, the warrant being issued this morning. The young man is now confined in the county jail.
